How to Register a Heifer Calf or Mature Cow

Registrations can be done either online or by mail. Before beginning the registration, you may want to have the following items available to refer to:

1) Breeder's ADCA number,
2) Owner's or buyer's ADCA number or contact information if not a current member
3) Information about the calf: birth date, tattoo/USDA 840 tag, color, polled/horned
4) If you had testing done, know where these items are on your computer for uploading with the registration or make copies to mail if sending registration application by mail
5) Dam's ADCA number and dam's owner at time of calving
6) Sire's ADCA number and sire's owner. **THE SIRE'S GENOTYPE MUST BE ON FILE WITH THE ADCA IN ORDER TO PROCEED.**

A. Visit the ADCA website and select the REGISTRATIONS tab at the top of the home page. This will bring you to a page that has important information to read before registering your animal.

B. From the Registration Information page you may choose to print off a form and mail it in to the ADCA, or you can proceed to the Online Registration form.

C. If you are completing your registration online, you will come to a STOP page that has more important information for you to read before going further to the online registration form.
