FROM THE REGIONS:

REGION 3

Our fall meeting on October 5th was in Deer Park. Rich and I enjoyed having each of you here.

We started the afternoon looking at the difference between proportionate and short legged Dexters and what to look for . We also discussed the price of animals, along with dun and red comparisons.

There was a lively discussion on cross-breeding Dexter with Waygu(Japanese Cattle). Waygu are poor milk producers, badly inbred in Japan, and approximately the same size as Dexters. This is something to look into: exporting to Japan.

The members here hope to start getting together around the state at different fairs to show Dexters as a group.

Sincerely,
Bonnie Boudreau

REGION 7

I would like to take this opportunity to thank all of you that sent flowers, cards and telephone calls during the recent passing of my wife Lois. It means a great deal to know that there are so many caring individuals in a group like the Dexter Association.

Many of you have asked if I will continue with the cattle and the answer is a definite "YES", as long as I am able. My illness and hospitalization a short time after Lois death set me back and has caused me to retire from my regular employment. Hopefully, this will give me more time to devote to the farm and the cattle.

I would very much like to have a meeting for those of you in this Region and I would ask for your recommendations for a date and location so that I can go ahead and set one up. Remember that it takes your participation to make a meeting a success and I would like to have an agenda that would cover your concerns. May I please hear from the Region Members as to your wishes.

Best wishes for a happy holiday season.

Sincerely,
Jim Johnson

TO ALL OF YOU THAT HAVE BEEN SO FAITHFUL IN THE PAST, IN PROVIDING INFORMATION TO THE EDITOR, FOR THE BULLETINS-- A TREMENDOUS THANK YOU. IT HAS BEEN A PLEASURE TO HAVE BEEN ABLE TO PUT OUT THE BULLETIN AND TO HAVE TALKED TO YOU OVER THE YEARS. PLEASE CONTINUE YOUR SUPPORT TO YOUR NEW EDITOR AND CO-EDITOR, AS IT TAKES INFORMATION FROM ALL OF YOU TO MAKE YOUR BULLETIN A SUCCESS. THANKS FOR ALL YOUR SUPPORT IN THE PAST.

JAMES G. JOHNSON

GREETINGS FROM YOUR PRESIDENT

I was saddened to receive the news on September 9, 1991, that Lois Johnson, our editor for many years passed away. Lois put a lot of time and effort in preparing our bulletin over the years. Lois will be greatly missed by our organization.

I have been faced with the difficult decision of whom to appoint for our new editor. After much thought and consideration I have decided to name an editor and co-editor. I believe in getting more people involved for the betterment of our association. My reasoning for picking an editor and co-editor is that in the event one or the other gets sick or disgruntled, we will still have one to depend on to publish the bulletin.

I would request all material for our bulletin be sent to:

Sally Huff -Editor

301 N. Mary

Wills Point, TX 75169

Phone (903) 873-2078

or

Billie Julian -Co-editor

Rt.1 Box 396

Wills Point, TX 75169

Phone (903) 865-8871

All material for the bulletin should be received no later than January 1, 1992.

I would like to thank all members that showed an interest in doing the bulletin.

There will be other jobs coming up in the near future for consideration. I believe in having different members doing different jobs to keep the work load distributed as evenly as possible.

Another item for our thoughts is Integrity. According to Webster's Dictionary,
Integrity:

The state of being entire; wholeness; probity; honesty; unrightness.

I would challenge everyone involved with Dexter cattle to adhere to Wester's definition.

I'm greatly encouraged to know most of our 350+ members practice high standards and would never intend to defraud others. Over the past few years I have received several complaints from buyers not receiving the right or no paper work to transfer their animals which they have purchased. Others are having a terrible time getting the paper work. It is the responsibility of the "seller" to furnish the proper paper work with each animal sold. Let's do everything possible to keep truthful records and treat others with great respect and prove our integrity.

I would like to have a phone conference with all the Directors on January 12, 1992, at 3:00 P.M. Eastern Standard Time.

Anyone with question or items to be brought up please notify your director, so he or she can in turn send me items for the agenda no later than December 20, 1991. This will allow time to prepare the agenda and send copies to all the Directors in time for the phone conference.

Another item for those regions voting for Directors, please vote. This way you have a say in who represents you and molds the future of our organization.

In closing I would like to thank all those who help the Board and Officers run this fine organization.

I would like to wish everyone a Merry Christmas and a blessed, happy, and prosperous New Year.

Philip R. Martz
