Thanks to all

Message from the President

Having just returned from the Annual General Meeting (AGM) and beginning a new fiscal year for the ADCA, I recognize that many thanks are in order. A big thank-you to all who organized, hosted and volunteered at the 2008 AGM. These events are much more work to organize and host than you can imagine. It was a great event at a great facility. Thank you to all involved.

Thank you also to all who brought cattle for the annual show and sale. It involves a great amount of work and commitment to show cattle and is even more difficult given the distance many of our exhibitors must travel in order to participate.

Next, I would like to thank the staff and Board of Directors. Each of you gives generously of your time and talents to assure the continued success of our organization. It is difficult for those not involved on a day-to-day basis to understand the amount of time required to conduct the business of an organization with the number of members and regional diversity of the ADCA.

The other groups who work behind the scenes and give equally as generously of their time are the members of the organization’s numerous committees. These groups often do the bulk of the work on any given issue or topic in order to enable the board to make informed decisions to address situations or implement policies for the good of (cont. on p. 3)
HALTERS $20 EACH + POSTAGE

Zip Code & weight = postage ($8.95 or less)

DEXTER HALTERS AVAILABLE
Colors: Forest Green—Royal Blue—Black—Red

XTRA SMALL may fit up to 10-12 months
SMALL may fit 1 to 2 years old
MEDIUM fits most adult females
LARGE fits most adult cows, some bulls
XTRA LARGE fits mature bulls*
*Special order $24 each

Our 990 tax filing was filed well before the May 15, 2008, due date.

Included in this Bulletin is the budget approved by the board for 2008. We are operating on track with this budget for year-to-date through June 15, 2008. Results from the 2008 AGM were not finalized at submission time for this report; therefore, I will report on them next time.

If you have any questions on these statements, feel free to contact me. Have a good Dexter year!

James W. Smith

Pam Malcuit, a big thank-you to you and your team for putting on a successful Annual General Meeting (AGM). ADCA members, if I did not see you at the AGM, then hello, and I missed you.

As you will see from the financial statement that follows, 2007 was a good year. We ended the year with a cash balance of $122,690 with $109,671 of the balance in a savings account earning interest.

Operational revenues totaled $127,906, with expenses of $87,671, generating $40,235 in revenue over expenses.

A good year

Report from the Treasurer

Our 990 tax filing was filed well before the May 15, 2008, due date.

Included in this Bulletin is the budget approved by the board for 2008. We are operating on track with this budget for year-to-date through June 15, 2008. Results from the 2008 AGM were not finalized at submission time for this report; therefore, I will report on them next time.

If you have any questions on these statements, feel free to contact me. Have a good Dexter year!

Region 1 Director’s Message

There is not a lot going on in Region 1 except rain. I don’t know about the rest of the region, but in Southwest Missouri we have already had over 40 inches of rain. The average rainfall for the year is around 44 inches.

The Missouri Dexter Breeders Association has discussed having a sale only in Missouri; however, no date has been set.

I attended the Annual General Meeting in Texas in June, and it was a very productive meeting. We now have articles of incorporation and bylaws that meet the state of Delaware corporate law requirements.

Please remember that Ozark Farm Fest will be Oct. 3, 4 and 5. There will be a Region 1 meeting on Oct. 4 at the Arc of the Ozarks Activity Center, 1501 East Pythian, Springfield, Mo., at 6:30 p.m., which will be followed by a meeting of the Missouri Dexter Breeders Association. Everyone is welcome.

John Foley

Region 4 Director’s Message

Summer is in full swing here in the Rocky Mountains. Haying is going well, and it is a busy time for all. Spring snowmelt was a true blessing this year, and the hay crop will be quite abundant.

The Annual General Meeting (AGM) in Belton, Texas, was a real success. A big thank-you to Pam Malcuit and all of her “crew” for making our annual meeting informative, productive and enjoyable for everyone who attended.

Jack and Marilyn McClure are making a lot of progress on the establishment of our Dexter beef co-op. Initial contacts have been made with an attorney to set up all of the necessary legal documents. Several ideas for marketing and advertising are being discussed. Jack and Marilyn have talked with many different establishments that may be interested in providing a venue for the steady processing and selling of our steers. They are keeping us informed of all their progress and asking for thoughts and ideas to make this effort a success.

Thanks, Jack and Marilyn. Keep up the great work. Any Region 4 members interested in participating in our co-op are welcome. Give us a call and tell us your ideas.

Judy Nocks
Region 6 Director’s Message

Patti and I had a great time at the Annual General Meeting in June. We enjoyed meeting new members and prospective members and getting reacquainted with old Dexter friends.

I was glad to see that we had representation at the meeting from each of the three states in Region 6.

Upcoming events in Region 6 include the Nebraska State Fair on Monday, Aug. 25, in Lincoln, Neb. Second is the Kansas State Fair in Hutchinson, Kan., on Saturday, Sept. 5.

We will hold the Region 6 annual meeting at the conclusion of the show on Saturday. If you want more information on either of these shows, send me an e-mail at clay@kansasdexters.com.

We look forward to visiting with our Dexter friends and meeting new ones at these fairs.

Clay Adams

Region 7 Director’s Message

Hello again from Texas and Louisiana. I’d like to take this opportunity to thank the many people who helped make our general membership meeting a success.

If I start naming names, I know I’ll forget someone, and I surely don’t want to do that . . . but there are a few standouts: Mary Young and her intern Veronica Garcia, David and Devin Jones, Johnny Morris, Becky Eterno, Janice Fennema, Carol Johnson, Bob and Patty Martin, Linda and Elissa Emmons and my daughter Jennifer.

Many folks from other regions also pitched in: Judy Nocks, Jim Smith, Carol Ann Traynor, Carol Koller, Patty Adams, Joanie Storck and Sandi Thomas. Every one of you is greatly appreciated, especially as some of this was very short notice “help needed.” What a great bunch of folks – but of course they are, as they are smart enough to know what a great thing we have in knowing and loving Dexter cattle.

I am surely a bit prejudiced, but I thought the whole event was wonderful. We were wounded a bit by the high price of fuel, but so many just came anyway. The seminars were exceptional with excellent presenters. Our terrific auctioneer, Buck Buchanan, did a great job in extracting bids for our White Dexter Auction (and a whole lot of fun was had there – I have the pictures to prove it!). He also gave his all with the beautiful animals that were offered for sale at the Dexter Cattle Auction.

Dr. Greg Buenger kept us all laughing with his outrageous stories of animals and situations he has experienced in his veterinary practice. What a great guest speaker for our annual banquet!

The youth events were a wonderful success! Not only did they do a fabulous job showing their cattle, but they thoroughly enjoyed the Dexter Moolympics. The games were fun, and the Dexter costume parade was delightful. Thanks to Carol Johnson and her infinite patience, the youngsters learned how to have some fun with their cows.

Those who took the showmanship classes and then participated in the final showmanship competition did an excellent job. The winner, Weston Tietze, received a beautiful steer as his prize with the stipulation that he will show the steer in the coming year. Sandi Thomas generously donated the steer for this event!

Open classes were very well-populated with many very fine animals from many places being shown. There was an excellent representation of fine-looking Dexters of different colors and body styles being shown. Many thanks to the Wieringas, the
Coads, the Thomas family, Ted Anderson, Jim Smith, Jeff Chambers and Guy Porter for bringing animals from afar.

Thanks, too, to our regional members who brought their animals for show or sale: David and Devin Jones, John Hinkley, Carol Johnson, John Derrick, Jacky Lewis, Weston Tietze, Becky Eterno, Olga Orso, Elizabeth Smith, Mickey Bush, Don Giles, Elissa Emmons, Sac Valley Ranch and Morning Star Ranch. Results of show and sale appear on pp. 13-15 of this Bulletin.

Thanks to all for a wonderful Dexter cattle event. Your board has worked hard over the last year to make the changes requested and to continue to strive for the betterment of this organization. Your support is integral to its success.

Pam Malcuit

Back from the Annual General Meeting (AGM) in Texas, it is nice to be home. The seven animals we brought down (and the nine animals we brought back) were happy to be off of the trailer, and I was happy to be out of the truck!

It was a different experience going to the AGM as a director instead of a general member. I was very busy and did not get the chance to meet and talk to everyone that I had hoped to but really enjoyed those conversations with members I did get to chat with.

To highlight just one of the many speakers at the AGM, the seminar by Dr. E. Gus Cothran of Texas A&M proved quite interesting with some exciting advances in DNA testing and the future possibilities available to the ADCA.

Plans have already started here in Region 8 for the 2010 AGM, and I am looking for suggestions, sponsors and volunteers. I also hope that as many Region 8 members as possible can make the short trip to Iowa (well, it IS shorter than Texas) for the 2009 AGM to get ideas and to network with Rick Seydel and the folks putting that event together.

So far, 2008 has been a successful year of getting Dexters out into the show ring. I would like to hear of any other Dexter shows or even All Other Breeds (AOB) shows that will be having a Dexters exhibit so that I can let the rest of the region know and maybe get some pictures of the exhibitors for the Bulletin. If you contact your state or area fairs and they have a minimum head requirement to have a Dexter show, LET ME KNOW, even if we are talking for 2009! Remember that our youth are our future leaders of this organization – share with them your knowledge and devotion to the Dexter breed. Support them at home and in the show ring. As always, feel free to contact me with any concerns, comments or questions.

Warren Coad

Our youth are our future leaders of this organization.

Below, left: A family photo – three of them just kickin’ back. Below, right: RdoubleD Rambling bob enjoying summer grass and entertaining the ladies at Monica Dexter’s Circle KB Ranch, Monroe, Wash.
**Region 9 Director’s Message**

I am writing this prior to this year’s Annual General Meeting (AGM), so I will not be talking about any topics from the meeting. I am sure that it will be a blast of a meeting, as Pam Malcuit and her region are really putting in some time and effort on it.

There are many topics like rules and regulations and bylaw updates, random parentage testing and a few awards to be given out, as well as a great Dexter show! I hope you can all make it there!

I am writing this message to inform Region 9 that this will be my last year as your regional director, as I will not be running for the regional director position at the end of this coming fall. I am going to be working with another organization (NOT cattle-related) and feel that I will not have the time or the resources that are needed to take care of this position the right way.

I ask that anyone who is interested in taking this position on please send in a nomination form for it when the time is due, or feel free to contact me about it, and I will help you out as best I can. You should know that the job requires you to attend the yearly AGM meetings and generally be available to work on ADCA problems within your region and nationally. You must have been a member of the ADCA for at least three years and cannot be a member of another competing registry.

Having a good computer system and Internet access are a real help, believe me! Also, some knowledge of how a board of directors works is very helpful as well. Otherwise, some knowledge of Dexter cattle and a desire to try to help them is all that is needed.

I just wanted to give you all some time to think this over so that it will not be a total surprise. Feel free to contact me.

Robert Seddon

---

**Region 10 Director’s Message**

We had a most enjoyable trip to Texas for the Annual General Meeting (AGM). The weather was HOT, HOT and HOT.

This past year, the Board of Directors has accomplished a very large task in getting the ADCA bylaws in accordance with the Delaware statutes. The AGM was very informative on every aspect of cattle. There was lots to do for the kids, including games and a showmanship/grooming clinic.

A special thank-you to the Thomas family for helping us show our cows and calves. Without their help, we would not have been able to do it.

FROM REGION 10.

The trip was long, but next year’s AGM is in Iowa, and I would hope more people from this region would consider attending. This organization is only as good as the people make it to be. We need more input and attendance at the AGMs in order to make them more successful.

ATTENTION EVERYONE – The Region 10 annual meeting will be held at our farm in Middleville, Mich., on Saturday, Oct. 4, at 1 p.m. We will have a potluck dinner with table service, Dexter burgers (yummy) and drinks provided. Just bring whatever you want and your appetite.

Please think about what topics you want covered and let me know. Every year we seem to have only have about 12 members attending. I would like to see more of you there.

Please try to make an effort to attend. We have a good time answering questions and bragging about cattle.

Robert Wieringa

---

**Are you interested in becoming Region 9 director? Let me know.**

Having a good computer system and Internet access are a real help, believe me! Also, some knowledge of how a board of directors works is very helpful as well. Otherwise, some knowledge of Dexter cattle and a desire to try to help them is all that is needed.

I just wanted to give you all some time to think this over so that it will not be a total surprise. Feel free to contact me.

Robert Seddon

---

This organization is only as good as the people make it to be.

We had a very successful show – We came, we saw, we conquered and we went home. MANY CHAMPIONS CAME...
**Region 11 Director’s Message**

Well, Texas put on a nice Annual General Meeting, and it was good to see a new member from our region make his way down to join in the fun.

There is much to read in this Bulletin, so I will be brief. I did have a couple of members write to me with some concerns, and I did bring them to the Board of Directors’ attention.

One question was about leaving money to the ADCA, maybe in a will. We have set up a new committee to look into the best way for members to do this, and I will report on its findings in the future. Clay Adams will chair the committee.

The Pedigree & Genetics Committee is strongly looking into genotyping all bull calves by a certain date or random parentage testing (RPT). We as a society are behind the times in this area. We should have news on this soon.

Texas was extremely dry, and my hat is off to the people who try to farm in those conditions. I was happy to see the green fields of Western New York when I returned home, but, boy, we have had our share of rain and, boy, do I wish I could send it to Texas. Enough with the rain. I hope you are all doing well and are having a great summer.

Carol Koller

---

**Region 12 Director’s Message**

I would like to extend my thanks to Region 7 for hosting this year’s Annual General Meeting (AGM) and my congratulations to all those who spent countless hours to make it a success.

Next year’s AGM will be hosted by our region!! It will be held June 25-28 at the Webster County Fairgrounds in Fort Dodge, Iowa.

We will be having a Region 12 meeting on Saturday, Sept. 27, at the home of Chuck Daggett in Minnesota. This is close to the center of the region, so I am hoping we will have a good turnout.

The main topic of the meeting will be to set up committees and get the ball rolling for the 2009 AGM. If you cannot attend the meeting, please give me a call or send me an e-mail at rmseydel@iowatelecom.net with your ideas so that I can share them with everyone at the meeting.

We will all have to work together to make this a success, and I know we have a lot of great people in this region who will help make this happen!

A quick reminder: My term as your director ends Jan. 1, 2009. Nominating ballots will be sent out to all voting members on Oct. 1. Anyone who has been a voting member in good standing in the ADCA for three years and who lives in our region can run for this position.

I encourage people to get involved. This is an exciting time for the ADCA because our membership is growing rapidly, as is the interest in these wonderful animals.

If you have any questions about what is required of the regional director, please give me a call.

Rick Seydel

Annual General Meeting Minutes

An official sign-in was circulated at both sessions of the Annual General Meeting (AGM).

Session One (pre-banquet): 31 members and seven guests signed in.

The meeting was called to order by ADCA President David Jones, who also gave a welcome to all those in attendance. He then introduced the ADCA officers, regional directors and staff with recognition to Judy Nocks, Clay Adams and Warren Coad as the newest members of the Board of Directors (BOD). Robert Seddon was introduced as acting parliamentarian for the 2008 AGM and BOD sessions.

A change in the agenda was made to allow for presentation of the Chris Odom Memorial Youth and Annual Talisman Awards as well as the 2008 Youth Show Award.

- The Chris Odom Memorial Youth Award presentation program with guidelines and the process that was used to select the recipients was made by Joanie Storck and Patti Adams. There were 11 applications for the award this year.

The Chris Odom Memorial Senior Youth (13-19 years) $1,000 award scholarship and plaque from memorial funds collected through Region 7 was presented to Andrea Ramponi, Mt. Iron, Minn. A summary of Andrea’s activities with Dexters was read, and the acceptance letter she submitted was shared with the group.

The Chris Odom Memorial Junior Youth (13 years and under) $500 savings bond award from funds collected by the Texas Dexter Breeders Association was presented to Kyle Wilson, Weatherford, Texas. Kyle accepted the award accompanied by his parents and younger brother. He gave his acceptance speech and thanked the ADCA for the award as well as his parents and younger brother for their help in his working with Dexters.

- The Chris Odom Memorial Youth Award presentation program with guidelines and the process that was used to select the recipients was made by Joanie Storck and Patti Adams. There were 11 applications for the award this year.

A plaque was presented to Mickey Bush with room for the names of the annual award winners and with the names of the first two recipients of the award engraved. This plaque will be updated each year with the name of future exhibitor of the year.

The Youth Showmanship Award, a steer calf donated by Sandi Thomas, Thomas’ Dexters, was presented to Weston Tietze, Boerne, Texas. This winner of this award was selected from a series of training classes that took place during the AGM. The calf was donated with the intent that the winner would continue to show the Dexter at future shows.

The Third Annual Talisman Award was presented to Marcia Read of Old Orchard at Stockdale Farm, Claysville, Pa. The nomination submitted for Marcia Read was read, as was her letter of acceptance which will be printed in the Bulletin.

- The 2007 AGM minutes were presented to the membership for review and discussion by ADCA Secretary Carol Ann Traynor. Helen Dorrance (Region 7) moved and John Derrick (Region 7) seconded that the minutes be approved as printed. The motion carried.

- An overview of the 2007 budget and the financial statement was presented to the membership for review and discussion by ADCA Treasurer Jim Smith. Joanie Storck (Region 6) moved and Ike McArthur (Region 7) seconded to accept the budget and financial statement as presented. The motion was carried without dissent.

Questions: Jacky Lewis (Region 7) asked about the use of money in the savings account. Jim responded that the money in the savings account is considered a reserve fund and that three-quarters of a year’s expenditures is a recommended level for a financial reserve fund.

Patti Adams (Region 6) suggested the yearly budget be printed in the Bulletin. Jim responded that the budget approved by the BOD on Feb. 15, 2008, will be put into the next Bulletin.

John Hinkley (Region 7) (cont. on p. 21)
