

Lifetime Memberships

Lifetime memberships are awarded to ADCA members that have been breeding Dexters for many years, have served the ADCA membership faithfully, have exhibited a passion for the preservation of the breed, and have stewarded their own herds with excellence.

At the 2019 ADCA National Dexter Expo this year, four of our members were awarded with ADCA Lifetime Memberships. We are grateful for their service to our Dexter community and appreciate the wisdom, patience, and practical help they have offered other Dexter owners throughout the years. Congratulations to these special ADCA members!
