

ADCA

Record of Birth Application

Mail to:
 American Dexter Cattle Association
 1325 W. Sunshine #519
 Springfield, MO 65807

- You must be an ADCA member, with membership dues paid, to apply.
- Only the **First Owner** or approved **Authorized Representative** (see **Authorized Representative Form**) can apply.
- A **Record of Birth** is not an **ADCA Registration**.
- Animals that receive a **Record of Birth** will only have ROB number, gender, date of birth, owner, breeder, and parents listed on their certificate and pedigree page. There will be no extended pedigree (family tree) displayed.
- Animals that receive a **Record of Birth** are named using their dam's name. For example "Bessie's calf."
- Animals that receive a **Record of Birth** can subsequently be registered, but they must meet all ADCA requirements to do so.
- Animals sold with a **Record of Birth** cannot be registered by their new owner. Only the **First Owner** can register an animal.

First Owner (Owner of the animal's dam at the time of its birth)

First Name		Last Name	
Farm Name		Breeder Prefix	
Member #		Email	

Breeder (Owner of the animal's dam at the time of its conception)
